

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ANDY NICHOLAW,

No. C-11-4272 JCS

Plaintiff,

ORDER

v.

[Docket Nos. 14, 15]

BOARD OF SUPERVISORS,

Defendants.

Plaintiff Andy Nicholaw has filed a “Declination to Proceed Before a Magistrate Judge and Request for Reassignment to a United States District Judge” and has also filed a “Second Objection to Order Dismissing Complaint & Request for De Novo Review.” Docket Nos. 14, 15.

Because the Plaintiff has previously consented to magistrate jurisdiction, the purported declination is untimely and the Court cannot consider it. This matter has been dismissed by the Court. *See* Docket Nos. 8, 13. Therefore, the Court construes Plaintiff’s recent filings as a motion pursuant to Federal Rule of Civil Procedure 60(b) (the “Motion”). Having carefully considered the Plaintiff’s arguments and the papers submitted, the Court find no factual or legal ground to reconsider the dismissal.
